## About us

Agroindustrias Osho is a Peruvian company founded in 2007 that is a leading producer and supplier of sustainable natural and organic ingredients from the Peruvian biodiversity ideal for the food & nutrition, personal care and pharmaceutical industries.

## Specialty Oils & Superfoods

We specialized in Cold Pressed Oils, Plant-Based Proteins, Andean Grain Instant Powders, Puffs & Flakes, Superfood Crisps, Micropellets & Air-Popping Chips, Dried Fruits, Roots & Tubers, Textured Vegetable Proteins, Roasted Seeds, Cacao Derivatives and Natural & Unrefined Sweeteners.

Our premium nutritional ingredients are produced from super foods such as Amaranth, Cacao, Camu Camu, Chia, Goldenberry, Lucuma, Maca, Mesquite, Quinoa, Sacha Inchi, Yacon, etc. and having as key attributes being Organic, Kosher, Halal, Vegan, Non-GMO, Gluten-Free and Sustainable Sourced.

## Production Capabilities

We produce our natural and organic ingredients in a modern processing plant with highly specialized equipment to ensure the highest performance, efficacy and consistency so our clients can receive an identical ingredient, time after time.

## Quality Certifications

Our processing plant is BRC, HACCP, GMP, Organic, Kosher, Halal certified and Allergen-Free and FDA inspected.

## Sustainable Business Practices

We source our premium raw materials from our own crops and through direct partnerships with small farmers from several communities in the Andean highlands and the Amazon rainforest following social and environmental principles and contributing directly to regional development and environmental preservation.

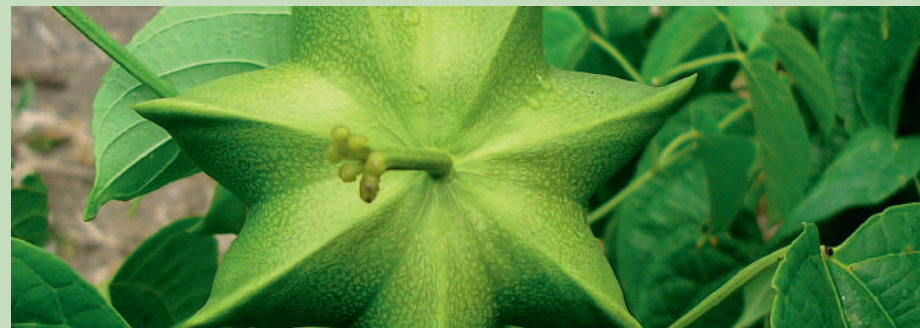

**UEBT**  
MEMBER  
SOURCING<sup>®</sup>  
WITH RESPECT

Agroindustrias Osho is a UEBT member since 2014. UEBT is a non-profit association that promotes sourcing with respect. Its members promote practices that regenerate nature and secure a better future for all people through ethical sourcing of ingredients from biodiversity. This contributes to a world in which people and biodiversity thrive.

## Private Label Services

We offer companies to produce under their own brand name and packaging any of the cold pressed oils and superfoods already produced by us or to create a new formulation based on their needs and specifications. Our technology allows us to make large and small production runs, with the flexibility to develop Conventional, Organic, Kosher, Halal, Non-GMO, Allergen-free, Vegan or any other feature according to their market need.
